# EASY LIVING

Everyday chores. No hassle. More time for living. All yours. Zanussi has a range of clever, simple-to-use appliances that do the hard work for you. Combining modern design and easy to use features, we make life easier, freeing you up to enjoy doing the things you really love.

# EASY COOLING

We've designed the new Zanussi cooling range to be even more helpful. Storing food is easier. Cooling down your shopping is faster.

We've been extra thoughtful in how our freestanding cooling appliances look, too.

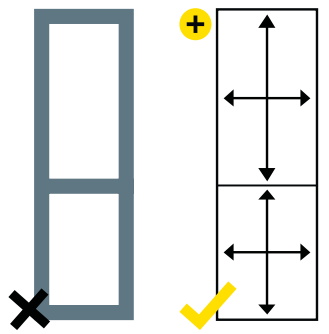
**Clever features**
Store 2ltr bottles while maintaining the space below.
**Design**
Oversize graphics give a fresh and expressive look.

# CLEVER INSIDE AND OUT?
# EASY

With our Space+ and TwinTech™ NoFrost ranges, there's more room and more freshness designed in.

## SPACE+

Store more, shop less. Our Space+ fridges, freezers and fridge freezers are bigger inside with the same dimensions outside, so a whole weekly shop isn't a squeeze.



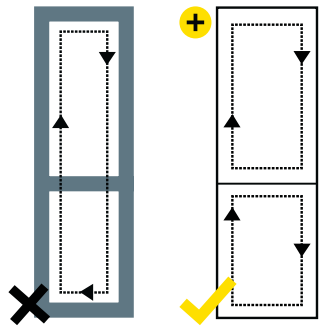
Standard Frost Free Fridge Freezer

**Zanussi Space+**

UP TO **40ltr** MORE SPACE

## TWINTECH™ NOFROST

Many of our Space+ models also offer TwinTech™ technology. Separate cooling systems for fridge and freezer provide the ideal humidity in each compartment, so food doesn't dry out, and odours don't cross over - locking in food's natural freshness. And all TwinTech™ NoFrost models are frost free, so never need defrosting.



Standard Frost Free Fridge Freezer

**Zanussi TwinTech™ NoFrost**

**LONGER FRESHNESS**

# COOLING MADE EASY

We've added clever features to all the appliances in the Zanussi cooling range. Thoughtful, practical touches that make storing food easier.

## SPACE+ DRAWERS

Deeper drawers give more room for the whole week's vegetables. So the aubergines won't crowd out the Little Gems. Deeper freezer drawers mean more storage space too.

## CHILLER COMPARTMENT

A dedicated, low temperature compartment keeps meat and fish fresh and safe.

## DUAL SHELF

The dual use shelf accommodates different items on the flat half whilst also allowing for storage of two wine bottles or two 2ltr soft drink bottles - whilst maintaining the space below.

LOW FROST

## LOW FROST

Easier and quicker to defrost than before with Low Frost technology in all Space+ Combi bottom models.

## QUICK FREEZE

Planning on restocking the freezer? Just press Quick Freeze to lower the temperature and use the Quick Freeze drawer to freeze food rapidly.

## QUICK CHILL

Time for the weekly shop? On TwinTech™ NoFrost fridges, just press Quick Chill and the temperature drops to 2˚C, ideal to cool it all rapidly without warming what's already in there. LEDs on the door tell you all you need to know at a glance, and make it easy to adjust temperature or select Quick Chill.

## AIRFLOW+

At the touch of a button cold air flows to every level, for faster, more even chilling. So you can place your food anywhere in the fridge.

A++

## ENERGY EFFICIENT

Most of our fridge freezers are A++ class for low energy usage, offering smart savings on your bills.

## EASYSTORE™ BOXES

Handy containers are just right for anything you want to keep separate - garlic and herbs perhaps, or delicate soft fruit or veg. They hook conveniently on the back of a drawer. And there's even a handy space for a note or a use-by date.

## INTEGRATED EGG TRAYS

No need to worry about where to store eggs, the door shelves in the NoFrost fridge freezers have integrated egg trays.

50/50

Need space for both fresh and frozen food. Our NoFrost 185cm tall fridge freezers are now split 50:50, giving you equal fridge and freezer space.

# A GUIDE TO OUR COOLING ICONS

What do the Zanussi cooling appliances do and why? Here's your quick guide to our handy functions, safety features and energy ratings.

**WHAT TO LOOK OUT FOR...**

- **Fast.** Clever Zanussi features to get things cooler, quicker.
- **Handy.** The things you couldn't live without.
- **Simple.** The touches that make Zanussi so easy to use.
- **Smart.** Practical solutions from great Zanussi thinking.

## FAST

### Quick Freeze
For fresher, safer food storage switch on the fast freeze function before you go to the supermarket, it lowers the freezer temperature, protects the contents and quickly freezes food. The freezer will automatically return to the preset temperature.

### Quick Chill
For fresher, safer food storage switch on the quick chill function before you go to the supermarket, it lowers the fridge temperature to quickly and safely cool your fresh food.

### Width
Width of appliance.

### Height
Height of the appliance.

### Capacity
Litre capacity of the appliance.

## HANDY

### Low Frost
Our low frost technology means that it is easier and quicker to defrost, and you may only have to defrost every 2 years.

### LED
Have clear visibility of your fridge contents with the ultra energy efficient and bright LED lighting.

### NoFrost
Save time and make all those defrosting chores a thing of the past with a frost free freezer which defrosts itself.

## SIMPLE

### Electronic Controls
Many of our models offer precise temperature control and functions such as Quick Freeze or Quick Chill function through simple internal or external electronic controls.

### AirFlow+ Fan
Say goodbye to hotspots as the internal Airflow+ fridge fan ensures even temperatures throughout the fridge.

## SMART

### Energy
All Zanussi models are either A+ or A++ energy rated, making them cheaper to run and kinder to the environment.

### TwinTech™ NoFrost
TwinTech™ NoFrost technology ensures that food stays cold and doesn't dry out, resulting in it staying fresher for longer.

### 4 Star Freezing
All of Zanussi's static and frost free freezers have a 4 star rating. This enables you to store and freeze food for up to 12 months.

### Space+
Standard dimensions outside, but extra space inside. With Space+ you can store more food, so you can shop less and save time.

### Chiller Compartment
Keep meat and fish fresher for longer in the dedicated chiller drawer.

## ZRA40100WA /ZRA40400XA

- The Space+ salad drawer allows you to store even the largest vegetable items
- 1 full width wire freezer shelf
- 3 height adjustable glass shelves
- 3 full width door shelves
- Removable egg tray
- Reversible door hinging
- White

## ZRT18100WA

A+ | 50 CM | 121 CM | 42 ltr / 138 ltr | **** | Space+

At just 50cm wide and 121cm tall, this model is perfect for the smallest of kitchens.

Store more, shop less: Space+ gives you extra space inside but standard dimensions outside.

The EasyStore™ box allows you to store and protect delicate foods such as herbs and nuts.

**Specifications**

- Save money with this energy efficient A+ rated model
- Auto fridge defrost
- The Space+ salad drawer allows you to store even the largest vegetable items
- 1 full width wire freezer shelf
- 2 height adjustable glass shelves
- 3 full width door shelves
- Removable egg tray
- Reversible door hinging
- White

| Electric Cookers | 49 |
| Gas Cookers | 57 |
| Range Cooker | 61 |
| How they compare | 62 |

# COOKING MADE EASY

## JUST IN TIME

On programmable models, you can set the oven in advance and come home to a hot meal that's been cooked for you.

## COOK MORE AT ONCE

Extra guests? No problem. Our extra capacity appliances mean you can easily cook several dishes at once. With Thermaflow®, you can cook different kinds of food at the same time and flavours won't be transferred from one to another.

A -10%

## ENERGY EFFICIENT

The main oven in our cookers have an outstanding A -10%* energy rating.

## EASY PIZZA

It's easy to find the ideal setting whatever the dish - just select pizza setting, for example, for a crispy base and delicious melting top. Simple.

## GRILL TO ORDER

A full width grill pan means it's easy to cook enough for all the family. Thermal Grilling can even take the effort out of a traditional big breakfast - using the fan and grill together means the food is evenly cooked without having to turn it.

## EASY CLEANING

You have a choice of easy clean enamel, or to make life even simpler, a catalytic lining that oxidises grease and residue, so all you have to do is wipe them away. All our cookers have easy-to-clean removable glass too.

* 10% more energy-efficient compared to the limit of energy efficiency class A (1 kwh) following eu directive 2002/40/ec.

# A GUIDE TO OUR COOKING ICONS

What do the Zanussi cooking appliances do and why? Here's your quick guide to our handy functions, safety features and energy ratings.

**WHAT TO LOOK OUT FOR...**

- **Fast.** Clever Zanussi features to get things done quicker.
- **Handy.** The things you couldn't live without.
- **Simple.** The touches that make Zanussi so easy to use.
- **Smart.** Practical solutions from great Zanussi thinking.

## FAST

### Thermaflow®
Imagine the convenience of being able to cook your main meal, pudding and garlic bread at the same time. The clever placement of the fan ensures no transfer of flavour or taste from one dish to another. Lower cooking temperatures and shorter cooking times, helps you save time and money.

### Thermal Grilling
Relax at the weekend with a hassle-free traditional all day breakfast. Thermal grilling uses the fan and grill to cook all your food at once without needing to turn it, saving you time!

### Defrost
So gentle it doesn't even melt cream, delicate foods like gateau can be defrosted in half the time!

## HANDY

### Pizza Oven
Bring Italy to your home, creating delicious Italian style pizzas with crisp bases and moist melted toppings every time. Not limited to pizzas, this oven will also give wonderful results for flans and quiches.

### Catalytic Liners
These special liners on the top, sides and back of the oven absorb grease and at high temperatures the grease oxidises. A great help with cleaning the oven, saving you time.

### Slow Cook
Come home to a tasty casserole or slow roast with the convenience of Zanussi's slow cook.

### Multi-zone Oven
Multi-zone oven, hotter at the top, cooler at the bottom - ideal for cooking Sunday lunch.

## SIMPLE

### Cooler to Touch
For added safety our cooker doors are air cooled, reducing the external touch temperature.

### Grilling
Cook large or small portions in a healthy and convenient way with the full or economy grill setting.

### Top Heat
For a mouth-watering finish to foods like lemon meringue and shepherd's pie, top heat browns gently for great results.

### Conventional
Great for one shelf cooking. This oven is hotter at the top and cooler at the bottom.

### Easy Clean Enamel Liners
Easy clean enamel liners are designed to prevent food from burning on, meaning the easy removal of residue - making it easier for you to clean the cavity.

## SMART

### Auto Cook
Ideal if you want to come home to a hot meal, some of our cookers have a fully programmable timer which can cook your food and automatically switch off when you tell it too, giving you more time to relax.

### A-10% Energy
Zanussi believe that with fantastic cooking performance should also come great efficiency. That's why the majority of our electric cookers have 'A' energy rating in both ovens. Some of our new cookers even have A-10% energy rating in the main oven - that's 10% better than energy efficiency class A, saving you money!

### Large Cavity
Some of our cookers feature a large-capacity main oven, which is specially designed to cook several different dishes at once, taking all the stress out of preparing a meal.

### Multifunction Cooking Options
Make cooking a more enjoyable part of your life with a multifunction oven, which combines the benefit of fan and conventional ovens with additional functions like pizza and thermal grilling. Experiment and get the best results for all your different recipes and dishes.

## ZCV663M

Make cooking a more enjoyable part of your life with this multifunction oven, which combines the benefit of fan and conventional ovens with additional functions like pizza and thermal grilling. Experiment and get the best results for all your different recipes and dishes.

Zanussi believes that with fantastic cooking performance should also come great efficiency. With two ovens rated 'A' for efficiency, you know you'll spend less on energy bills. So why not splash out on something else instead?

**Specifications**

- Soft design control panel for easy cleaning
- Thermaflow® fan cooking system for an even temperature
- 4 fast ceramic zones with 2 different sized zones
- Easy to clean surface
- Hot hob indicator

**Top cavity features**

- Large 37 litre top oven
- Conventional cooking
- Separate grill in the top cavity

**Main oven features**

- Large 69 litre main oven
- Multi-function main oven
- Thermaflow® fan oven
- Fan controlled defrosting
- Top heat

**Cooker features**

- Fully programmable main oven timer
- Catalytic liners in both ovens
- Air cooled double glazed doors
- Full width grill/roasting pan

**Colour Options**
ZCV663MXC - Stainless Steel
ZCV663MWC - White

**Removable glass panes**
We all know the most hated job in the kitchen is cleaning the cooker, with one of the hardest parts, cleaning the glass doors. That's why most of our cookers have easily removable glass panes in both the top and bottom oven doors.

## ZCV662MW

Ideal if you want to come home to a hot meal, Auto Cook is a fully programmable timer which can cook your food and automatically switch off when you tell it too, giving you more time to relax.

Thermaflow® fan oven, the clever placement of the fan ensures no transfer of flavour from one dish to another. Lower cooking temperatures and shorter cooking times, help you save time and money.

**Specifications**

- Soft design control panel for easy cleaning
- 4 fast ceramic zones with 2 different sized zones
- Easy to clean surface
- Hot hob indicator

**Top cavity features**

- Large 37 litre top oven
- Conventional cooking
- Separate grill in the top cavity

**Main oven features**

- Large 74 litre main oven
- Thermaflow® fan oven
- Fan controlled defrosting

**Cooker features**

- Fully programmable main oven timer
- Catalytic liners in both ovens
- Air cooled double glazed doors
- Full width grill/roasting pan

**Colour Options**
ZCV662MWC - White

**Catalytic liners**
These special liners on the top, sides and back of the oven, absorb grease and at high temperatures the grease oxidises. A great help with cleaning the oven, saving you time.

## ZCV665M

Electronic minute minder, great for reminding you to check on the progress of your meal and acts as a clock too.

Thermaflow fan oven, the clever placement of the fan ensures no transfer of flavour or taste from one dish to another. Lower cooking temperatures and shorter cooking times helps you save time and money.

**Specifications**

- 4 fast ceramic zones with 2 different sized zones
- Easy to clean surface
- Hot hob indicator

**Top cavity features**

- Large 37 litre top oven
- Conventional cooking
- Separate grill in the top cavity

**Main oven features**

- Large 74 litre main oven
- Thermaflow® fan oven
- Fan controlled defrosting

**Cooker features**

- Electronic minute minder and clock
- Easy clean enamel liners in both cavities
- Air cooled double glazed doors
- Full width grill/roasting pan

**Colour Options**

ZCV665MX - Stainless Steel
ZCV665MW - White
ZCV665MN - Black

## ZCV661M

This large-capacity oven is specially designed to cook several different dishes at once, taking all the stress out of preparing a meal.

Zanussi believes that with fantastic cooking performance should also come great efficiency. With two ovens rated 'A' for efficiency, you know you'll spend less on energy bills. So why not splash out on something else instead?

**Specifications**

**Top cavity features**

- 26 litre top oven
- Conventional cooking
- Separate grill in the top cavity

**Main oven features**

- 50 litre main oven
- Thermaflow® fan oven
- Fan controlled defrosting

**Cooker features**

- Fully programmable main oven timer
- Enamel liners
- Full width grill/roasting pan

**Colour Options**

ZCV563DN - Black

**Enamel liners**

Enamel liners are designed to prevent food from burning on, meaning the easy removal of residue - making it easier for you to clean the cavity.

## ZCV561DX

A | 50 CM

'A' energy rating in the main oven, helping you to help the environment and your pocket.

**Specifications**

- Large viewing windows and interior light
- 4 fast ceramic zones with 2 different sized zones
- Easy to clean surface
- Enamel liners

**Top cavity features**

- 26 litre top cavity
- Separate grill in the top cavity

**Main oven features**

- 50 litre main oven
- Thermaflow® fan oven
- Fan controlled defrosting

**Colour Options**

ZCV561DW - White
ZCV561DX - Stainless steel

## ZCE560DW

A | 50 CM

The clever placement of the fan ensures no transfer of flavour or taste from one dish to another. Lower cooking temperatures and shorter cooking times helps you save time and money.

**Specifications**

- Enamel liners

**Top cavity features**

- 26 litre top cavity
- Separate grill in the top cavity

**Main oven features**

- 50 litre main oven
- Thermaflow® fan oven
- Fan controlled defrosting

**Colour Options**

ZCE560DW - White

## ZCG662G

Ideal if you want to come home to a hot meal, Auto Cook is a fully programmable timer which can cook your food and automatically switch off when you tell it too, giving you more time to relax.

Ideally positioned at the front of the hob, the controls are easy to see and access, which means you don't need to bend or step away from the cooker to change the heat settings.

**Specifications**

- Cooker with different sized burners for extra flexibility
- Automatic ignition for instantaneous gas hob lighting
- Gas safety cut out system
- 1 rapid burner, 2 semi-rapid burners, 1 simmer burner
- Enamel pan supports

**Top cavity features**

- Large 34 litre top oven
- Allows you to cook traditional food with perfect results
- Separate grill in the top cavity

**Main oven features**

- Extra large 79 litre main oven
- Multi-zone oven

**Cooker features**

- Catalytic liners in both ovens
- Air cooled double glazed doors
- Full width grill/roasting pan
- Electronic minute minder

**Colour Options**
ZCG662GNC - Black
ZCG662GWC - White

## ZCG667G

This large-capacity oven is specially designed to cook several different dishes at once, taking all the stress out of preparing a meal.

Ideally positioned at the front of the hob, the controls are easy to see and access, which means you don't need to bend or step away from the cooker to change the heat settings.

**Specifications**

- Cooker with different sized burners for extra flexibility
- Gas safety cut out system
- 1 rapid burner, 2 semi-rapid burners, 1 simmer burner
- Enamel pan supports

**Top cavity features**

- Large 34 litre top oven
- Allows you to cook traditional food with perfect results
- Separate grill in the top cavity

**Main oven features**

- Extra large 79 litre main oven
- Multi-zone oven

**Cooker features**

- Easy clean enamel liners in both cavities
- Air cooled double glazed doors
- Full width grill/roasting pan

**Colour Options**
ZCG667GW - White
ZCG667GX - Stainless Steel
ZCG667GN - Black

# EASY DISHCARE

All our dishwashers have low water consumption and quiet noise levels, and some are A+ rated for energy efficiency, and are available in a range of sizes to fit every space.

| | |
|---|---|
| Full Size Dishwashers | 73 |
| Compact Dishwashers | 76 |
| How they compare | 77 |

# DISHCARE MADE EASY

## VARIETY OF PROGRAMMES

Can it handle every job? There are useful programmes and features to suit a variety of needs. ‘Rinse and hold’ is ideal for pre-washing your dishes, until the dishwasher is fully loaded. ‘Intensive care’ gets even the dirtiest pots and pans ultra-clean. For safe, sparkling results, use the ‘special glass’ cycle and, for flexible loading, there are foldable cup shelves and plate racks.

## EASY TIPS

Follow #EasyTeam for tips to make your life easier!

Twitter.com/zanussi_UK

Facebook.com/ZanussiAppliances

## AUTO HALF LOAD

Zanussi know you don’t always have time to wait for a full load, all our dishwashers are designed to automatically determine whether there is a full or half load and will adapt the water and energy accordingly.

## QUICK PROGRAMME

Our 30-minute wash cycle at 65°c will take care of used crockery after an evening meal for a family of four, and will ensure an A rated wash performance.

## AUTOMATIC PROGRAMME

Can the dishwasher pick the programme? Just press ‘auto programme’ and, at the touch of a button, the appliance will select the most energy-efficient setting to thoroughly clean your dishes, keeping water and energy consumption to a minimum.

## ALL IN ONE

Can it look after itself? Yes, use an all-in-one detergent tablet for maximum convenience and you’ll never have to worry about adding dishwasher salt or rinse aid.

# A GUIDE TO OUR DISHCARE ICONS

What do the Zanussi dishcare appliances do and why? Here's your quick guide to our handy functions, safety features and energy ratings.

**WHAT TO LOOK OUT FOR...**

- **Fast.** Clever Zanussi features to get things done quicker.
- **Handy.** The things you couldn't live without.
- **Simple.** The touches that make Zanussi so easy to use.
- **Smart.** Practical solutions from great Zanussi thinking.

## FAST

### Quick 65°C Wash Programme

This unique programme is perfect for people on the go. It washes all the freshly soiled crockery from an evening meal for a family of four in just 30 minutes and with a temperature of 65°C, you will get an 'A' rated wash performance. No need to compromise quality for time.

### Active Drying

For the best drying results, active drying removes the steam leaving your dishes extra dry and sparkling clean.

## HANDY

### Time Display

Quite literally giving you the power to control your time, the delay start lets you delay the start time of the dishwasher by up to 19 hours, whilst the time remaining tells you how long you have until you have to unload.

### Multitab

Knowing that convenience is everything, especially when it comes to detergent, our dishwashers feature the Multitab option, adjusting the wash programme to ensure the very best results when using 3in1, 4in1, or 5in1 detergent.

## SIMPLE

### A+AA

Energy efficiency A+, cleaning performance A, drying performance A.

### AAA

Energy efficiency A, cleaning performance A, drying performance A.

### AAB

Energy efficiency A, cleaning performance A, drying performance B.

## SMART

### Flexible Baskets

Allows you to adjust the height of the upper baskets, sometimes even when it is fully loaded, so that large items (like pots and pans) can fit into the lower basket. The racks can also be folded flat, great for all sizes of plates, dishes and pans.

### Auto Half Load

Zanussi know you don't always have time to wait for a full load, all our dishwashers are designed to automatically determine whether there is a full or half load and will adapt the water and energy accordingly.

## ZDF4013

12 | A+AA | 60 CM | 13L | 47dB(A)

At the touch of a button, Zanussi's unique Auto programme sets the optimum temperature, duration and water use for your load. It covers the biggest range of temperatures from 45°C to 70°C, great for everything from your wine glasses to your dirty dishes.

30 minute quick wash is a specially designed programme, perfect for people on the go. It washes all the freshly soiled crockery from an evening meal for a family of four in just 30 minutes and with a temperature of 65°C, you still get an 'A' rated wash performance.

**Specifications**

- Time delay
- Capacity: 12 place settings
- Number of programmes: 5
- Auto half load
- Active drying
- 3 digit display
- Automatic 45-70°C wash
- Multitab option
- Economy 50°C with prewash
- Foldable plate rack
- Foldable cup shelves
- Rinse and hold
- Salt and rinse aid indicators
- Up to 19 hours delay start
- Time remaining indicator

**Auto half load**
No need to wait for a full load, all our dishwashers have the auto half load function which will determine the load and adapt water and energy accordingly.

## ZDF3023

12 | A+AA | 60 CM | 13L | 47dB(A)

With an easy to use rotary knob for programme selection and a display showing the time of the programme remaining, this dishwasher gives you the time to enjoy life at you own pace.

At the touch of a button, Zanussi's unique Auto programme sets the optimum temperature, duration and water use for your load. It covers the biggest range of temperatures from 45°C to 70°C, great for everything from your wine glasses to your dirty dishes.

**Specifications**

- Quick wash programme gives A-rated wash performance in just 30 minutes
- Capacity: 12 place settings
- Number of programmes: 5
- Auto half load

# LAUNDRY MADE EASY

## LARGE CAPACITY

In your 8kg machine you can wash up to 40 items or a king size duvet and in a 7kg machine you can wash up to 35 items or a double size duvet.

**A+++**

## ENERGY EFFICIENT

Our top of the range washers have an A+++ energy rating, which is 30% more energy efficient than an energy class A washing machine.

## EASY IRON

By keeping your wash load moving and using a cool down phase with cold water, this programme protects delicates and synthetic fabrics from developing permanent creases.

## 30 MIN PROGRAMME

What about an outfit needed in a hurry? Our 30 minute programme refreshes up to thirteen lightly worn items in just half an hour, at 30°C.

## JETSYSTEM

The Jetsystem wash technology directs water straight into the heart of the laundry and automatically adjusts the amount of water and energy used based on the amount of clothes put in - saving you money!

# A GUIDE TO OUR LAUNDRY ICONS

What do the Zanussi laundry appliances do and why? Here's your quick guide to our handy functions, safety features and energy ratings.

**WHAT TO LOOK OUT FOR...**

- **Fast.** Clever Zanussi features to get things done quicker.
- **Handy.** The things you couldn't live without.
- **Simple.** The touches that make Zanussi so easy to use.
- **Smart.** Practical solutions from great Zanussi thinking.

## FAST

### Easy Iron
By keeping your wash load moving and using a cool down phase with cold water, this programme protects delicates and synthetic fabrics from developing permanent creases.

### Mini 30
Ideal for once worn clothes or clothes you need in a hurry. Washes up to 13 items, in 30 minutes at 30°C.

### Prewash
For extra dirty clothes, to loosen dirt and remove prior to the main wash.

### Super Quick
Select a shorter time, by pressing the quicker wash option.

### Spin Speed
Higher spin speeds remove larger amounts of water out of the clothes. Every 200rpm increase in spin speed means 10 minutes less time tumble drying.

## HANDY

### Aqua Cycle
For the best drying results, active drying removes the steam leaving your dishes extra dry and sparkling clean.

### 7+5kg
Wash and dry capacity. With large wash to dry capacity, you can now conveniently wash & dry continuously without having to remove excess clothes after washing and before you start drying.

### Handwash
For handwash only label items. This is an extremely gentle programme.

### Delay Start
Some Zanussi machines feature a Delay Start option, meaning you can wash when it suits you.

### Rinse Hold
Suspends the laundry in the final rinse water until a convenient time for spinning, reducing creases and saving time.

## SIMPLE

### LCD Display
The stylish bright LCD display provides you with real time information about the various options selected and the progress of your wash.

### Wool
This programme reduces the drum rotation so that clothes are gently and consistently moved in the water to reduce stretching and matting of delicate fabrics and woolens.

### Silk
Designed for silk items, this is a very gentle wash load for up to 1kg. The laundry is gently spun for a short time at the end of the programme.

### BA
B is the energy rating and A is the wash performance rating.

### FlexiDose
Our washer range comes with a new FlexiDose option which gives you the flexibility to either use powder or liquid in the same detergent compartment to get that perfect wash result. No need to dispense liquid detergents differently.

## SMART

### Inverter Motor
The powerful brushless motor is not only designed to be silent and more durable but can also drive large loads at higher speeds for a longer time, giving a powerful wash performance in shorter wash times.

### Jetsystem+
You can now wash 1 item as effectively as a full load, saving you time, energy and money.

### Jetsystem
The Jetsystem wash technology directs water straight into the heart of the laundry and automatically adjusts the amount of water and energy used based on the amount of clothes put in - saving you money!

### A+ Energy Performance
Energy rating for a washer is 10% better than energy efficiency class A.

### Extra Rinse
Your Zanussi machine now incorporates foam suppression technology which adds additional rinse in case of over dosage of detergent.

## ZWJ14591W

Thanks to clever intelligent technology, Jetsystem+ saves you time, energy and water based on your wash load size, providing the cleanest, most economical and efficient performance ever.

Using 30% less energy than the average A-class appliance, this extra-efficient washing machine is good for the environment - and for your bank balance.

**Specifications**

- 8kg load capacity
- 1400rpm spin speed
- A+++ energy efficiency
- A class spin performance
- The extra durable inverter motor provides a powerful wash performance with shorter wash times
- Mini 30 programme
- Delay start option
- LCD display
- Programmes include: Handwash/Wool
- Options to tailor programmes include: Prewash/Soil level/Extra rinse

**Large capacity**
In your 8kg machine you can wash up to 40 items or a king size duvet and in a 7kg machine you can wash up to 35 items or a double size duvet.

- Slim depth
- Delay start
- Programmes include: Handwash/Wool/Mixed fabric programme
- Options to tailor programmes include: Variable temperature/Super quick

## ZKN7147J

8 KG | 1400 | AA | 6 KG | 25 PROG.

Wash up to 8kg of clothes and dry up to 6kg of clothes - all in a standard-sized appliance.

Jetsystem wash technology saves you energy and water based on your wash load size, providing the cleanest, most economical and efficient wash performance.

Take the noise out of doing the laundry, the unique inverter motor in this washer dryer guarantees peace and quiet.

**Specifications**

- 8kg washing capacity
- 6kg drying capacity
- 1400rpm spin speed
- A energy efficiency
- A class wash performance
- Programmes include: Easy iron/Handwash
- Options to tailor programmes include: Delay start/Extra rinse/Drying time/Super quick

**Reducing drying time**
Higher spin speeds mean your clothes dry faster. It takes less energy to remove the same amount of water spinning than tumble drying.

## ZKG7165

6 KG | 1600 | 4 KG | 25 PROG. | BA

This combined washer dryer with a wash capacity of 4kg, gives you clean and dry clothes straight from the appliance.

**Specifications**

- 6kg washing capacity
- 4kg drying capacity
- 1600rpm spin speed
- A wash performance
- LCD display
- Programmes include: Easy iron/Handwash
- Options to tailor programmes include: Delay start/Extra rinse/Drying time

# LAUNDRY: WASHER DRYERS

## ZKG7145

6 KG | 1400 | 4 KG | 25 PROG. | CA

This combined washer dryer with a wash capacity of 6kg, gives you clean and dry clothes straight from the appliance.

**Specifications**

- 6kg washing capacity
- 4kg drying capacity

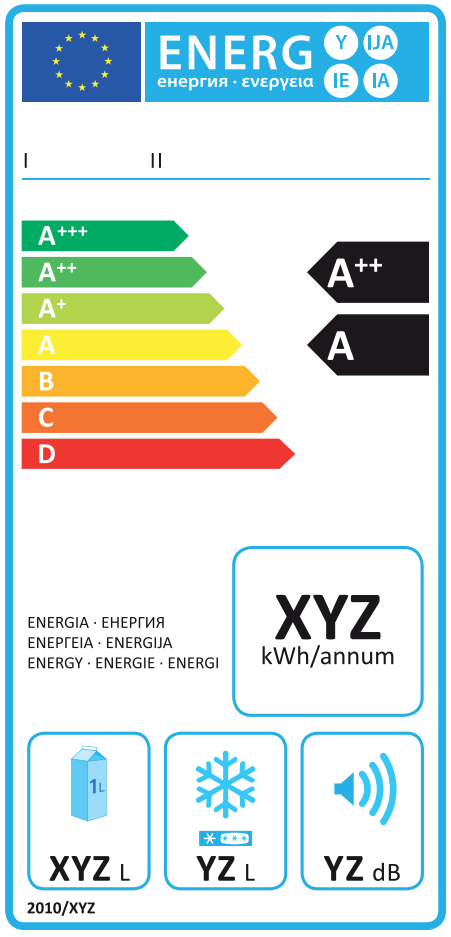
# ENERGY: EFFICIENCY

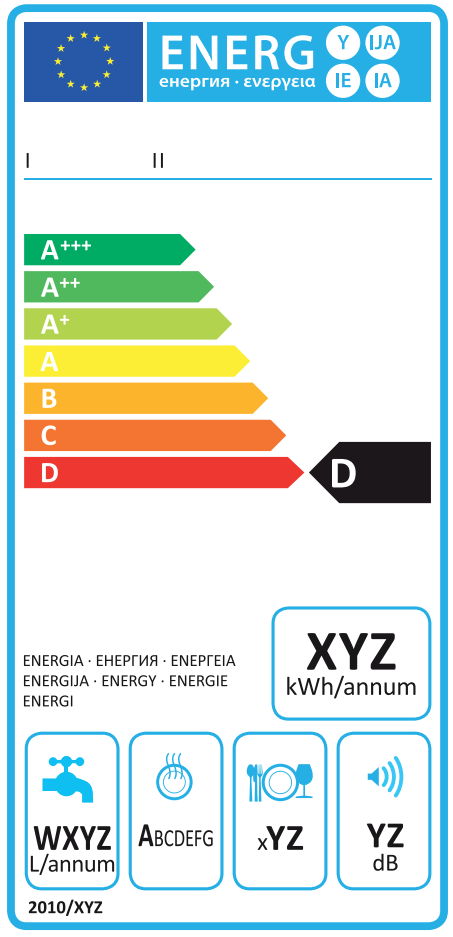
## EU ENERGY EFFICIENCY INFORMATION

This scheme, which covers refrigerators, freezers, washing machines, tumble dryers, dishwashers and electric ovens is designed to offer consumers a standardised method of choosing the most energy efficient appliances. For refrigerators and freezers, as well as stating the energy efficiency class (A+++ - most efficient, 'D' - least efficient) the label also gives the annual electricity consumption (i.e. running cost) freezing capacity, noise level and the usable storage capacity.

For dishwashers the label states energy efficiency, water consumption, drying level, place settings and noise level.
For electric ovens the label also states the energy consumption (in kWh) and the usable volume of the oven. If the oven is a double oven it will carry this information for both ovens.



Example of refrigeration energy label.



Example of dishwasher energy label.

# AFTER SALES: SUPPORT

## SERVICE FORCE NETWORK

Telephone (08445) 616 616
www.serviceforce.co.uk

SERVICE FORCE
Electrolux

## RESPONSIVE CUSTOMER CARE/ AFTER SALES SERVICE

Once you've bought a Zanussi appliance you're safe in the knowledge that in the unlikely event of a fault occurring you can rely on our commitment to look after your appliance throughout its working life. Our network of fully trained service engineers are available nationwide and our complete care service is one of the most extensive and reliable available.

## 12 MONTHS PARTS AND LABOUR GUARANTEE

In the unlikely event of any repairs being required in the first year, we will carry them out free of charge.
In addition, any repairs carried out after the guarantee period are covered by their own 12 month guarantee, parts only.*

* Guarantee conditions provided on request.

## RAPID SERVICE

If you call us out under the 12 month guarantee, we endeavour to fix the appliance within seven working days of our first call.

## LOCAL SERVICE NATIONWIDE

Backed by the extensive range of spare parts held by our central warehouse, the Service Force Network will endeavour to repair your product in your home within 72 hours of receipt of the original call.*

* Excludes Saturdays, Sundays and Bank holidays, and may not be available in rural or outlying areas

## SERVICE BY APPOINTMENT

To allow you to plan your day we can offer an appointment within a 3 hour time period, when the call is booked two days in advance.*
We can also provide service outside of office hours and Saturday mornings.**

* Please note. The service pledge does not apply in the Republic of Ireland. **A small extra charge is payable for this service.

## MARKETING POLICY

The policy of Zanussi is one of continued improvement. We therefore reserve the right to alter or amend product ranges, specifications and dimensions without notice. All specifications/ dimensions including installation dimensions should be checked with the appropriate instruction manual before use or installation. If in doubt, contact your local Zanussi stockist who regularly receives up to date product information from our marketing department. E and O.E

## ZANUSSI IS PART OF THE ELECTROLUX GROUP - THE THOUGHTFUL DESIGN INNOVATOR

Do you remember the last time you opened a gift that made you say 'Oh how did you know? That's exactly what I wanted!' That's the kind of feeling that the designers at Electrolux seek to evoke in everyone who chooses or uses one of our products. We devote time, knowledge, and a great deal of thought to anticipating and creating the kind of appliances that our customers really need and want.
This kind of thoughtful care means innovation with insight. Not design for design's sake, but design for the user's sake.
For us, thoughtful design means making appliances easier to use and tasks more enjoyable to perform, freeing our customers to experience that ultimate 21st century luxury, ease of mind. Our aim is to make this ease of mind more available to more people in more parts of their everyday lives, all over the world. So when we say we're thinking of you, you know that we mean just that.

Thinking of you
Electrolux
